HYPERFINITY CREATIONS PRIVATE LIMITED

Job Vacancy

Job Title: Video Editor (Specializing in Sanskrit, Indian Culture, and Ancient Teachings)

Company: Hyperfinity Creations Private Limited [Shikshanam & Hyper Quest]

Type: Full Time

Location: Rohini, Delhi

Timings: 10:00 AM - 07:00 PM [01:00 hrs Lunch Break]

Role Overview:

We are on the lookout for a passionate and creative Video Editor to join our vibrant, dynamic team that's behind the [largest YouTube channel](#) in the Indic space!. As a Video Editor, you'll be responsible for editing high-quality video content that showcases the beauty of ancient Indian teachings, philosophies, and culture. While a background in Sanskrit, Indian philosophy, or culture will be helpful, however your proficiency in video editing and ability to bring stories to life is what matters most.

Responsibilities:

- Base Editing: visual enhancements and audio correction.
- Inserting footage/images/visuals: Browsing/downloading content to include in the video as per the subject matter.
- Inserting animations: Creating motion graphics, effects, and basic animations and including them in the video to simplify the subject matter.
- Liaising with other freelancers/employees/third party associates of Hyper Quest.
